This is a detailed topographic map of Central Europe, covering parts of Germany, Austria, and the Czech Republic. Major cities like Munich (München), Regensburg, Linz, and Vienna (Wien) are visible. The map is overlaid with a grid of colored rectangles, each labeled with a 'WK' (Wanderkarte) number. The colors correspond to different map scales: purple for 1:50,000, blue for 1:35,000, green for 1:40,000, and orange for 'Outdoor Pocket + The Big Five'. Some labels include 'NEU' (new) or 'OUP' (Outdoor Pocket). A legend in the top-left corner explains the color coding and includes a note about the purpose of the multi-color scheme.
